- C. All work done by the Company shall be done in a manner and at such times as will cause the least public inconveniences and such safety precautions will be taken and such notices or warnings will be given as are necessary to afford adequate protection to the public from any danger which may arise out of such work; and, the CATV shall be constructed and operated in compliance with all national, state, and local construction and electrical codes and shall be kept current with any new codes.

Failure of the Company to replace and restore such pavement within seventy-two (72) hours after completion of the Company's work shall authorize the City

to cause proper restoration to be made and the expense thereof charged to the Company which shall be paid by the Company upon demand by the City.

- E. The Company shall, when necessary, and after being given not less than forty-eight (48) hours advance notice, on the request of any person holding an appropriate permit used by the City or any person planning or actually engaging in a construction or disturbances of the ground or other activities requiring a City permit, locate and mark its underground service; or in the case of aboveground or overhead service, temporarily raise or lower its system to permit the moving of any building or structure or when necessary to facilitate construction or other activities not requiring a City permit; Provided, however, that the actual expense of such marking, temporary removal, or temporary relocation, shall be paid by the person so requesting, and the Company shall have the authority to require such payment in advance. - G. The Company shall have the authority to trim trees upon and overhanging streets and public ways and places of the franchise area so as to prevent the branches of such trees from coming in contact with the wires and cables of the Company, except that at the option of the City, such trimming may be done by it or under its supervisions and direction at the expense of the Company.
- H. Should it become necessary to shut-off or interrupt service for the purpose of making repairs, adjustments, or installation, the Company shall do so at such times as will cause the least amount of inconvenience to its subscribers, and unless such interruption is unforeseen and immediately necessary it shall give reasonable notice thereof to its subscribers.
- I. If at any time during the period of franchise the City shall lawfully elect to alter or change the route or grade of any street, the Company, upon reasonable notice by the City, shall, at its own expense, remove, relay, and relocate, when determined necessary by the City Council and within a reasonable time, the Company's property.

§ 115.01 PURPOSE AND INTENT

It is the purpose of this article to regulate sexually oriented businesses to promote the health, safety, morals and general welfare of the citizens of the City, and to establish reasonable and uniform regulations to prevent the deleterious effects produced by such sexually oriented businesses within the City, especially in conjunction with the sale and consumption of alcohol by and in such sexually oriented businesses. The provisions of this article have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Similarly, it is not the intent nor effect of this article to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this article to condone or legitimize the distribution of obscene materials.

§ 115.02 FINDINGS

Based on evidence concerning the adverse secondary effects of sexually oriented businesses on the surrounding community presented in hearings and in reports made available to the City Council, and on findings incorporated in the cases of *City of Los Angeles v. Alameda Books, Inc.*, 535 U.S. 425 (2002); *City of Erie v. Pap's A.M.*, 529 U.S. 277 (2000); *Barnes v. Glen Theatre, Inc.*, 501 U.S. 560 (1991); *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986); *Arcara v. Cloud Books, Inc.*, 478 U.S. 697, (1986); *Iacobucci v. City of Newport, Ky*, 479 U.S. 92 (1986); *Young v. American Mini Theatres*, 427 U.S. 50 (1976); *California v. LaRue*, 409 U.S. 109 (1972); *S.O.B., Inc. v. County of Benton*, 317 F.3d 856 (8th Cir. 2003); *Kev, Inc. v. Kitsap County*, 793 F.2d 1053 (9th Cir. 1986); *Hang On, Inc. v. City of Arlington*, 65 F.3d 1248 (5th Cir. 1995); *South Florida Free Beaches, Inc. v. City of Miami*, 734 F.2d 608 (11th Cir. 1984); *Village of Winslow v. Sheets*, 261 Neb. 203 (2001); *Major Liquors, Inc. v. City of Omaha*, 188 Neb. 628 (1972); and *Midtown Palace, Inc. v. City of Omaha*, 193 Neb. 785 (1975), as well as studies conducted in other cities including, but not limited to, Rochester, New York; San Diego, California; Denver, Colorado; Kansas City, Missouri; New York City, New York; Newport News, Virginia; St. Paul, Minnesota; Springfield, Missouri; Indianapolis, Indiana; Los Angeles, California; and Austin, Texas; and summaries of studies of from thirty-two other cities; and statistics compiled by the U.S. Department of Health and Human Services, Centers for Disease Control and Prevention, and the Nebraska Department of Health and Human Services, the City Council hereby finds that:

A. Sexually oriented businesses have negative secondary effects on the existing businesses around them and the surrounding residential areas adjacent to them, causing increased crime, the downgrading of property values, the downgrading of adjacent neighborhoods making adjacent neighborhoods significantly less attractive and less safe for raising children, denigrating both residential life and commercial activity for other types of businesses, and increasing the likelihood that long-established standards of public decency will be violated through drug use, prostitution, tax evasion, and fraud. Sexually oriented businesses downgrade the quality of life and fitness of property for other uses in areas both immediate adjacent to and within the proximity of such sexually oriented businesses.

B. The negative secondary effects of sexually oriented businesses are amplified when the service or consumption of alcohol is permitted and engaged in on the premises of such sexually oriented businesses.

C. The findings noted above raise substantial governmental concerns for the health, safety, and welfare of the citizens of the City, and it is appropriate for the purpose of promoting and protecting said health, safety, and welfare of the citizens of the City, particularly the children of the community and those conducting general business within the City, that reasonable regulations be enacted so as to address the substantial governmental concerns to minimize and control the negative secondary effects of sexually oriented businesses, and thereby promote and protect the health, safety and welfare of the citizens of the City and to preserve the quality of life and the quality and character of surrounding neighborhoods for residential and commercial purposes and uses.

D. The enactment of reasonable regulations governing sexually oriented businesses within the City, which involve operational criteria and the regulation of alcohol and illegal substance use and consumption on the premises of such sexually oriented businesses, are appropriate to address the substantial governmental concerns noted above and to protect the health, safety and welfare of the citizens of the City, in conjunction with the zoning requirements applicable to sexually oriented businesses and businesses permitting the sale or consumption of alcohol currently contained in the Waverly Zoning Regulations.

E. It is not the intent of the City to extend these reasonable regulations and prohibitions to any expression of opinion or the performance of a bona fide play, ballet, or drama protected by the First Amendment to the U.S. Constitution or by Article I, section 5 of the Constitution of the State of Nebraska.
